

The Sacrament of Penance Information 2026

May 11th, 2026

Dear Parents and Guardians,

I am excited to welcome you to this year's **Sacrament of Penance** program. This Sacrament is also known as **Reconciliation in the First Rite**. As your child continues to grow and explore their faith, this special sacrament will allow them to experience God's forgiveness and feel closer to Him.

The Sacrament of Penance is the sacrament of spiritual healing and mercy. We will speak about sin, but sin is not the point. It's the outcome that really matters, namely that – having said sorry – the children will receive the gift of forgiveness and be restored to a right relationship with God and with one another.

I love the Sacrament of Penance. I am deeply aware of the healing it has brought to my life, and the constant reassurance I receive through it. I also have the privilege of being the minister of the sacrament, and I see, again and again, its healing power at work in people's lives. It saddens me that this great gift of God's mercy is so little used!

This is the last year we will be running the Sacrament of Penance as an individual Program and therefore we have tried to streamline it to fit into people's busy schedules. Please consider whether you are able to commit to the full program before enrolling. The content and experiences of the program are necessary preparation for the celebration of the Sacrament. To enrol, children must have been baptised, confirmed, and received their First Holy Communion. They will usually be in Year 5 at school. **Enrolments close on Sunday 26th of July.**

I look forward to celebrating this beautiful sacrament with your children and helping them not only understand but also experience God's healing mercy.

Blessings,

Fr Michael Grace
